

ABHISHEK WAMBURE

DATA ANALYST

+91-9370338107 | abhishekusingofficial@gmail.com | [LinkedIn](#) | [Medium](#) | [Portfolio](#)

PROFILE SUMMARY

Analytical and results-driven **Data Analyst** with a proven ability to transform complex data into compelling visual narratives using **Power BI, Python, and advanced data visualization techniques**. Adept at crafting dynamic dashboards and uncovering actionable insights that inform strategic decisions. Demonstrated expertise in interpreting viewer behavior, forecasting digital trends, and **solving real-world business challenges** through data. Equipped with a strong foundation in **data storytelling**, I bring clarity to ambiguity and turn raw data into meaningful direction. Passionate about leveraging analytics to optimize performance, enhance business value, and drive continuous improvement.

EDUCATION

JAN 2020 - JAN 2023

MIT Sciences

BSC. Computer Science

CGPA : 9.48/10

EXPERIENCE

JAN-MAR 2024

Freelance Data Analyst

Independent Projects | Freelance

- Designed a sales analysis report for a local retail chain, highlighting monthly trends and **forecasting sales growth**.
- Created interactive Power BI dashboards for a small NGO to track fundraising progress.
